College**

Educating the Whole Child

Coming Together, Moving Forward

A conference for parents, students, community leaders, educators, activists, advocates, policy makers, and anyone interested in the education and welfare of our children.

Citizens for Public Schools

Our mission is to promote, preserve and protect public schools and public education.

Our Goals

Public resources for public schools with sufficient funding to ensure high quality education and equal access for all children

Please forward this to anyone who might be interested!

Phone: 617-277-3000

Children Left Behind

Dr. Louis Kruger's insightful documentary about the failings of the MCAS, will be screened before and after the conference.
